

Weekly Bulletin

5th June, 2026

Welcome Back!

Welcome back to all learners as we continue through an important and exciting part of the academic year. Final GCSE examinations have been taking place this week and will continue into next week. We are incredibly proud of our learners, who have approached their exams with calmness, resilience, and a determination to perform to the very best of their abilities.

With the summer term now upon us, we are looking forward to a vibrant and action-packed few weeks ahead. Our learners will be taking part in a variety of enriching experiences, including active curriculum days, Sports Day, and an exciting workshop at the Science Creates Lab for Years 8 and 9. We also have a number of fantastic trips planned, including visits to Tynesfield, The Wild Place for Year 9 science, and Ashton Gate Stadium, alongside many more opportunities.

We are also beginning to see the impact of all the hard work put in by our KS2 and Year 7 learners, with some fantastic outcomes being produced. It has been a great experience for our learners to be part of this process, developing their skills, confidence, and pride in their achievements. It promises to be a memorable and rewarding end to the term!

Community and Connection

During a particularly busy exam period, we took the opportunity to enjoy a wonderful social activity with the wider school community at Blaise Castle Estate. This provided a valuable moment for learners to pause, relax, and connect with one another away from the pressures of exams. We were also fortunate to visit the beautiful ornamental gardens, which made the experience even more memorable and enriching.

It was fantastic to see learners of all ages and abilities coming together chatting, playing, and supporting one another in such a positive and inclusive environment. These shared experiences are so important in strengthening relationships and building a strong sense of belonging across the school. Despite the weather, spirits remained high and everyone embraced the opportunity with enthusiasm. It was a joyful occasion and a lovely reminder of the resilience, kindness, and community spirit that our learners demonstrate every day.

End of Term Celebrations

We wrapped up Term 4 with an amazing silent disco, which was a fantastic way to celebrate all the hard work and achievements of the term. The energy and enthusiasm from our learners was truly infectious, with plenty of dancing, laughter, and memorable moments throughout.

Take a look at a few of our movers and shakers, our learners really embraced the opportunity to have fun, express themselves, and enjoy celebrating together as a community. It was a wonderful way to end the term on a high note!

Upcoming Dates for Your Diary

Parents' Reports Afternoon (KS2 & KS3)

Thursday 25th June

Further arrangements and timings will follow.

Work Experience – Year 10

Monday 6th – Friday 10th July

A separate email with full details has been sent today.

End of Year and Leavers' Assembly

Wednesday 22nd July | 11.00am–1.00pm

More information will follow, but we hope you can join us as we celebrate the achievements of the year and wish our leavers well.

End of term

Friday 22nd May

The Big Future

National Children's Survey

We would like to make parents and carers aware of an important national survey led by the Children's Commissioner for England, **Dame Rachel de Souza**, called **The Big Future**.

The survey gives children and young people aged **0–18** the opportunity to share their views on what matters most to them, their hopes for the future, and what they believe makes a good childhood today. The findings will be used to influence decision-makers and advocate for positive change on issues that affect children across the country.

With more young people becoming eligible to vote in future elections, this survey is a valuable way for children's voices to be heard.

Parents and carers can support their child to take part by accessing the survey here:

 www.childrenscommissioner.gov.uk/thebigfuture

The survey closes on **Friday 23 October**. Participation is voluntary, but we strongly encourage families to consider supporting their child to share their views if they wish.

Thank you for your continued support.

Upcoming Inclusion & SEN Friendly Events in Bristol
